- Cement Sector
- Energy applications (Dam, Wind, .....)
- Spare parts for them (After Sales Market)

# FLUID POWER INDUSTRY

## Hydraulic Mobile:

- **Construction Machinery**  
(Back hoe Loader, wheel Loader,.....)

- **Agriculture Machinery** ★  
(Tractors, .....)  
*This sector exploded in 2020 and 2021*

- **Mobile Cranes**

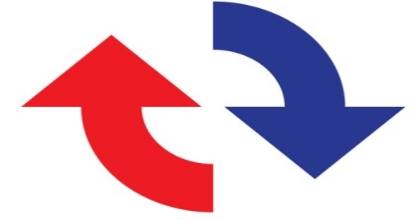

- **Municipal Vehicles**  
(Sweepers,.....)

- **Drilling Machines**

# FLUID POWER INDUSTRY

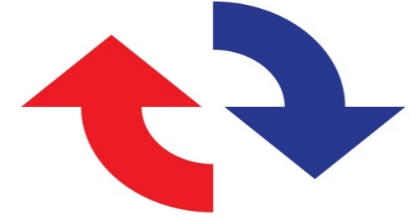

Locomotive sectors for Turkish Fluid Power Industry:  
Pneumatics:

- Foods
- **Medical Equipment's** ★
- Packing
- White Goods

# FLUID POWER INDUSTRY

What do we produce in Turkey?

- Gear Pumps
- Piston Pumps ★
- Cylinders (H&P) ★
- Valves (H&P)
- Filters
- Connectors
- Hoses
- Accessories
- Seals
- Clamps
- Training sets (H&P)
