Guest Presentations

Economic Outlook for the UK Manufacturing Sector

Richard Blackmore, Midlands Regional Director, CBI

Richard will give an overview of the latest economic trends
and outlook for the UK highlighting the current challenges
and opportunities for the manufacturing sector.

Manufacturing: Inspiring the Next Generation

*Angela Lawlor, Managing Director, Marvelous
Manufacturing*

Angela will explain how her company, Marvelous
Manufacturing has been set up to try to make
manufacturing more attractive to the younger generation
by bringing together Schools, Colleges and Universities
with manufacturers, STEM and apprentice ambassadors
and other training providers.

Post Dinner Discussion

We will be joined during the day by Jack Semple, of
EAMA. After dinner, Jack will give a brief overview of the
latest Government lobbying topics affecting the
engineering sector affecting the engineering sector,
including UKCA/UKNI, followed by an open discussion.
